B Listings

Your listings are the virtual doorway to your business. You are listed in some of the places you need to be but there is work to do. You don't want customers to find your competitors' listings instead of yours, do you?

Without correct listings, your business is invisible to your customers.

A Average Review Score	5.00	3.87
B # of Review Sources	1	0.78

It appears that social media is not your bag. It's too bad because there are a lot of potential customers out there that are missing out on your wisdom, humour and sage advice.

You don't have to do it all yourself, we know you have a job to do. We can certainly help you build fans through advertising and consistently posting timely relevant content, so you can handle the meaningful interactions and build your business.

Facebook

Facebook page information about your business

We didn't find your Facebook page. You might have one, but if we can't find it, there's a good chance your customers can't either.

Twitter

Twitter Profile information about your business

We didn't find your Twitter profile. You might have one, but if we can't find it, there's a good chance your customers can't either.

Foursquare

Foursquare venue information about your business

We didn't find your Foursquare venue. You might have one, but if we can't find it, there's a good chance your customers can't either.

Fantastic website! If it ain't broke, don't fix it! But in the case of the first page of Google, more really is better. Let us help you own more spots on that first page with our SEO optimized location page!

Our location pages can also help you generate reviews, upload coupons and offers, and provide stats and analysis on your customers.

Mobile

D User Experience

! 2 Should Fix

✓ 4 Passed Rules

Awesome! This page is mobile-friendly.

Speed

✓ **Minify HTML**
Your HTML is minified. [Learn more about minifying HTML.](#)

✓ **Reduce server response time**
Your server responded quickly. [Learn more about server response time optimization.](#)

User Experience

! **Use legible font sizes**
The following text on your page renders in a way that may be difficult for some of your visitors to read. Use legible font sizes to provide a better user experience.

! Configure the viewport

Your page does not have a viewport specified. This causes mobile devices to render your page as it would appear on a desktop browser, scaling it down to fit on a mobile screen. Configure a viewport to allow your page to render properly on all devices.
